To optimize class time, please try and prepare the following fabrics:

1. If you purchase individual fabrics (instead of the Gemstone) please cut 2 strips 2 ½” wide of the width of the fabric (wof) for each leaf colour and three 2” strips wof of the stem fabric.
2. Cut twenty 12 ½” squares from the background fabric – You will need to eventually cut twenty 12 ½” squares from the background fabric. We will not get to all of these for the class so you only need to bring a few.
